

The room opens and you can click on the key and note for lore of the story. Click the arrow on the wall and go to the second room.

The cipher is solved by looking at the middle letters in the circle and changing them to the corresponding top letters. The answer will be "PAST THE MONSTER"

Click on the numbers and keep any more numbers you see in mind, and then the door

Level 0 the Lobby - Emily

Get jumpscared, see the number 8

After the door you click on the cipher on the wall to open the modal

After the scare you get sent to the final part. See the faded numbers on the wall, try the numbers as the code. But they will be not in order, The answer will be "387"

The code will open and the hammer will play a sound of breaking wood.

The page will open to the exit, click the escalator it will go to Jaydens page.
